

## 2020/2021 FINANCIAL INFORMATION Hybrid-Homeschool

### *Tuition:*

The chart below indicates the rates for the oldest enrolled child (1st child) and the family incentive rates for additional registered children. To determine your tuition, add the amounts for each child.

Covenant Love Community Church financially supports the ministry of Covenant Love Community School and provides discounted tuition rates for their regularly tithing members. We also offer a special reduced rate to full-time pastors of \$1,299 per child.

CLCS contracts with FACTS Management Company to supply tuition payment options.

	Tuition	Family Incentive	CLC Member Tuition	Member Incentive
1 <sup>st</sup> child	\$1,599		\$1,199	25%
2 <sup>nd</sup> child	\$1,439	10%	\$1,039	35%
each additional child	\$1,279	20%	\$879	45%

### *Registration Fee:*

In addition to tuition, a non-refundable registration fee of \$100.00 per family must accompany applications for admission and re-enrollment. Any application submitted after May 1<sup>st</sup> must be accompanied by the late registration fee of \$150.00. Both the application paperwork and the appropriate Registration Fee must be submitted before the application will be processed.

### *School Activity Fee:*

The School Activity Fee for Hybrid-Homeschool covers the costs for activities and special events at the school. The fee is \$10 per student.

### *Late Enrollment Fee:*

As our program will need to be adjusted for additional students, a fee of \$60 will be charged for each student enrolled after August 1st.

### *Early Withdrawal Fee:*

Because we must plan our operating budget in advance of each school year, we depend upon families to pay their tuition for the entire year. **If parents withdraw their child(ren) from school prior to the end of the year, it will be necessary to charge an early withdrawal fee of 20% of the tuition balance per student.**

### *Membership status change:*

If a family's membership at Covenant Love Church ceases, then the tuition rate will automatically be adjusted to the standard rates.
