

2021/2022 PART-TIME FINANCIAL INFORMATION

*Half-Time Tuition (for **Pre-Kindergarten students only**):* Covenant Love Community School offers a half-day option, five mornings a week, to students in the Pre-Kindergarten program. Half-day Pre-Kindergarten tuition is \$4,275 for the 2021/2022 school year. Pre-Kindergarten students are also able to attend for the full day program at the normal tuition. Additional fees listed below also apply.

*Part-Time Tuition Rate (for **all other students**):* Covenant Love Community School offers part time tuition rates of \$285 per unit, \$215 per unit for CLC Church members, or \$145 per unit for full time pastors. (See attached page for course/unit listings.) The school will be responsible for students while they are in the school building. Tuition will be charged for all time spent at school. When a child is enrolled in two or more classes that are not back to back in the school schedule, the parent may choose to either pick up the child between the classes, or pay tuition for the school to monitor the child during the time between classes.

To calculate the tuition, multiply the rate by the number of units per course. Tuition may be paid on a monthly payment plan through the FACTS Management system.

Registration Fee:

In addition to tuition, a non-refundable registration fee of \$150.00 per family is charged for admission and re-enrollment of students. Any application submitted before May 1st will be given an early registration discount, with fees of \$100.00.

Field Trip Fees:

A part time student will have the opportunity to participate in field trips which originate from the course(s) in which he/she is enrolled. Costs for these trips will be paid on a per trip basis.

Early Withdrawal Fee:

Because we must plan our operating budget in advance of each school year, we depend upon families to pay their tuition for the entire year. **If parents withdraw their child(ren) from school prior to the end of the year, it will be necessary to charge an early withdrawal fee of 20% of the tuition balance per student.**

Late Enrollment Textbook Fee:

The school receives a per student textbook allotment from the public school systems represented in the student body. When a student is enrolled after June 1st, those funds may not be available. Therefore, a textbook fee of \$60 will be charged for any student enrolled in a class needing textbooks after June 1.

Full Time Tuition:

To compare the costs of part-time enrollment with full- time, we have listed the full-time rates below. The chart indicates the rates for the oldest enrolled child (1st child) and the discounted rates for additional registered children. To determine tuition, add the amounts for each child from the appropriate row.
